VCOMM LIGHT MODEL

WWW.VCOMMLIGHT.COM

8 years Warranty

Our product quality lifespan is warrantied more than 8 years both in a usage and the brightness

VCOMM

50-60% Energy and Bill save

Our light efficiency is 60-100% higher than the light tube in the market, resulting in using low watt than others, and reduce the electric consumption.

Our light also achieved Thai and International standard requirement and testing

Highlight

- Lumen Efficiency : 220 Lm/Watt
- Warranty Life time: 8 Years
- Warranty Brightness in 8 years: < 10%
- Operating Hours : > 100,000 Hours
- Electricity Save: 50% of normal LED light tube
- Carbon Footprint Save: 50%

มอก 1955, มอก2779

VCOMM

T8 Light: GR-LRG SERIES

VCOMM Watt	Replacing for Regular LED watt	% Save	Price (THB)	Price/Year (THB)	Saving Per year	
					Electric Bill (THB)	Carbon Footprint (MT)
8	18	55.56%	2,200	275	131.4	0.01
